

INTERIOR DESIGNER

Join our team at TowerPinkster and open a new door to an amazing career! TowerPinkster, an innovative architecture, engineering and interior design firm based in the Midwest with offices in Michigan, Indiana, and Kentucky, looking for a talented Interior Designer to join our team. We seek a design and technical-minded individual that brings creativity and ownership to the office each day. This person will enjoy opportunities to grow their knowledge and career responsibilities in a fun, supportive environment. The purpose of this Interior Design position is to lead the discipline responsibilities for the project and client team by completing working drawings and specifications for projects. Tasks will include, but are not limited to, client engagement, finish plan development, product selections for review, casework layouts, interior elevations, renderings, millwork design and detailing, interior signage drawings, furniture plans and related bid documents.

POSITION RESPONSIBILITIES + EXPECTATIONS

Design Based:

- Work as project lead on varying scales and project typologies.
- Develop design documents to illustrate program, materials and design solutions in 2d and 3d.
- Understand project team expectations in Programming, Concept Design, Schematic Design, Design Development, Construction Development, and Construction Administration.
- Exhibit strong design capabilities in space planning, the appropriate and creative application of finishes, custom designed millwork and interior architecture.

Technical Focused:

- Perform coordination efforts with the project team in creation of interior design documents.
- Assist design team and project coordination team in the detailing, model building, and illustration of design documents.
- Work with the project team to review and revise product specifications for the project manual.
- Review shop drawings and submittals.
- Research and understand code requirements and barrier-free guidelines for the interior environment.
- Create presentation documents and 3d renderings using Revit, Enscape, Lumion or other 3d software.

Client and Professional Based:

- Continue to refine design and technical skills.
- Attend meetings to set goals and objectives for the project(s).
- Meet with product representatives to learn options and trends in the industry
- Foster strong client relationships and continuing engagement
- Mentor junior design team members and promote learning opportunities
- Delegate work assignments for growth, matching responsibility to individuals and providing mentorship and coaching
- Work independently and connect with Department Manager for reviews and resources

POSITION COMPETENCIES

- Act with integrity and trust.
- Possess a commitment to excellence.
- Work in a collaborative team environment.
- Balance team and individual responsibilities.
- Exhibit good listening and comprehension skills and patience with understanding needs
- Problem solves through root cause and finding alternative solutions.
- Take responsibility for own actions and completion of tasks.
- Respond to requests in a timely fashion.
- Take personal responsibility for own actions.

POSITION QUALIFICATIONS

- Bachelor's degree from an accredited program.
- Five to Ten years of professional Interior Design experience.
- Working toward or have obtained NCIDQ Certification.
- Proficient in Revit and Adobe Creative Suite – Photoshop and InDesign.
- Proficient in Microsoft Office Suite - Word and Excel.
- 3D Computer graphic skills preferred, as well as hand sketching ability. Proficiency in Enscape is a plus.
- Knowledge in building code, barrier-free and ADA requirements as they impact interior design.
- Sketch and draw by hand and create computer generated 3d graphics
- Dynamic graphic presentations and solid design and communication skills
- Understand constructability and material selections that relate to design expression

POSITION LOCATION

This is a full-time position located in our Michigan offices.
