

I'm taking this survey as (check all that apply):

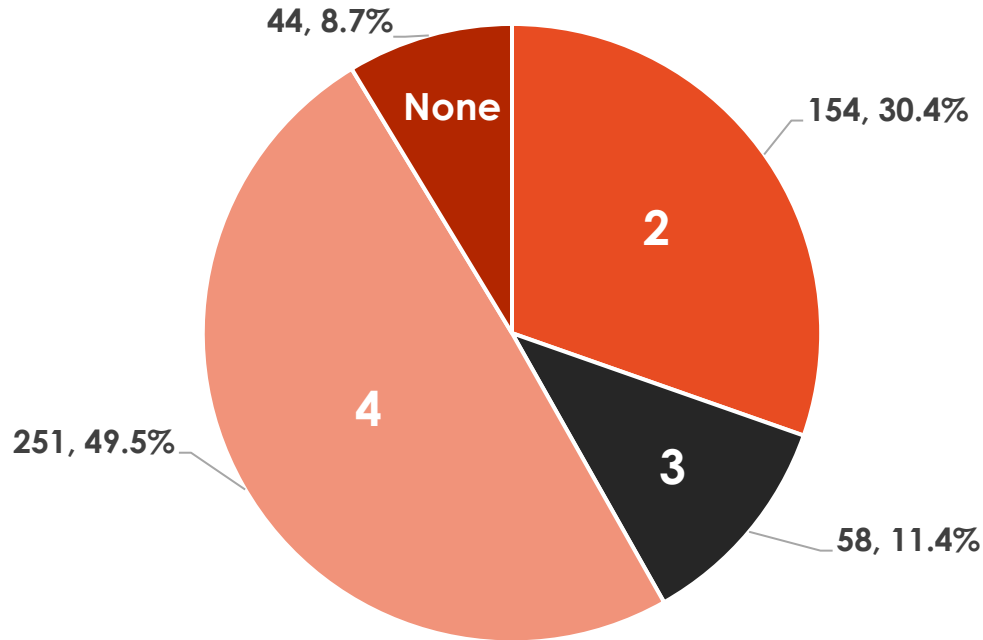

Do you currently have children attending Allegan Public Schools?

Do you currently live in the Allegan Public Schools district?

What is your opinion of the presented scenarios?

■ Scenario 2 ■ Scenario 3 ■ Scenario 4 ■ None

No decisions have been made. However, based on the information provided, do you believe that the district's site and facility needs warrant a bond proposal knowing that **NONE** of the scenarios will increase the millage (tax) rate?
